

## **PROFILE OF SWPA POWER In The 6th Congressional District of Missouri**

**Almost 240,000 constituents** in the 6th Congressional District of Missouri enjoy the benefits of clean, renewable and efficient hydropower generated at Corps of Engineers multipurpose reservoirs and marketed by the Southwestern Power Administration. SWPA power distributed to businesses and industry also supports **almost 20,000 jobs** in the district with a payroll of **almost \$430 million annually**.

The power marketed by SWPA is generated at 24 Corps projects in the region, including five in Missouri: Bull Shoals, Clarence Cannon, Harry S. Truman, Stockton and Table Rock. In 2001 these five dams generated **902 million kWh** of electricity, or more than 19 percent of the energy generated by SWPA's system. SWPA customers, through their electric rates, will repay 32 percent of the entire cost of constructing these five lakes — **more than \$456 million** — *plus interest!*

SWPA power is distributed in the district by the following consumer-owned, not-for-profit electric systems:

- **Associated Electric Cooperative, Inc.,** Springfield
- **City of Albany**
- **Atchison-Holt Electric Cooperative,** Rock Port
- **Co-Mo Electric Cooperative, Inc.,** Tipton
- **Farmers' Electric Cooperative, Inc.,** Chillicothe
- **City of Fayette**
- **Grundy Electric Cooperative, Inc.,** Trenton
- **Howard Electric Cooperative,** Fayette
- **Macon Electric Cooperative,** Macon
- **N.W. Electric Power Cooperative, Inc.,** Cameron
- **Nodaway-Worth Electric Cooperative, Inc.,** Maryville
- **North Central Missouri Electric Cooperative,** Milan
- **Northwest Missouri Electric Cooperative,** Savannah
- **Platte-Clay Electric Cooperative, Inc.,** Platte City
- **Tri-County Electric Cooperative Association,** Lancaster
